## **Your right to receive a **Good Faith Estimate** of expected charges under the **No Surprise Act**.**

Maine Chiropractic Health Clinic will provide a Good Faith Estimate (GFE) of how much our services will likely cost you upon your request. If you are paying us directly for your services and you schedule at least 3 days in advance, we will provide a written GFE within 1 day of your scheduling. If you schedule at least 10 days in advance, we will provide a written GFE within 3 business days after scheduling.

We will inform you in advance with a new GFE if we plan to increase our fees or we anticipate your cost exceeding your original GFE. If we don't and we bill you more than \$400 in excess of your GFE without informing you in advance, you will have the right to dispute our bill through a federal dispute resolution process. You will need to provide a copy of your GFE to open a dispute, so we recommend that you save and/or print your GFE for future reference.

*To request a GFE, please contact us at [ljdionne@gwi.net](mailto:ljdionne@gwi.net) or call 207-786-0393*
